FOR SOPPOA MEMBERS ONLY

GANODERMA WORKSHOP

Registrations closes on 15 September 2025!

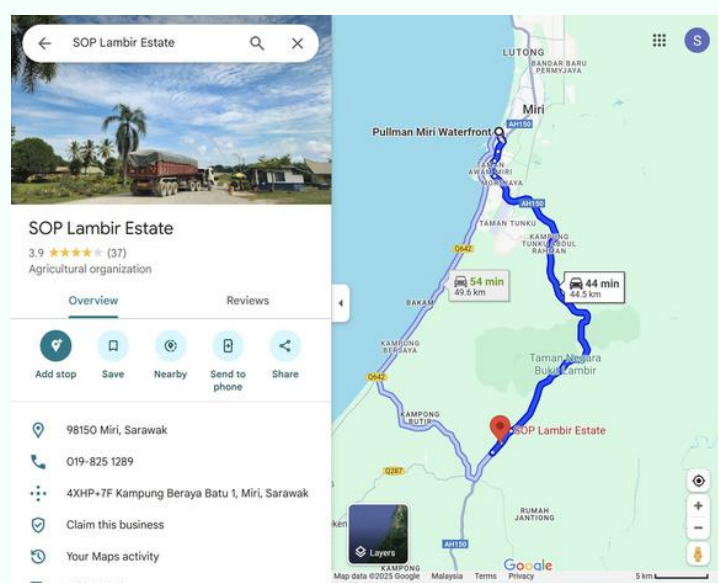

About the Workshop

The MPOB-SOPPOA Annual R&D Event is a yearly initiative to update members on the latest research developments and share practical knowledge relevant to the palm oil industry.

For 2025, the event will take the form of a two-day Ganoderma workshop, combining classroom sessions on monitoring, identification, and controls with field demonstrations covering symptom recognition, treatment application, and replanting process.

Open exclusively to SOPPOA members, participation is limit to 150 seats on a first-come, first served basis. A fee of RM400 per participant will be charged to cover organization expenses, including meals and refreshments for both days

Registration is only confirmed upon receipt of full payment.
